## The Migrant Women's Lobby Group and Irene Krastev

The Migrant Women's Lobby Group was one of the groups Irene helped found, and the group remained a focus for her community activities. Irene was an Executive member of the MWLG since its inception in 1984.

The MWLG decided to honour, recognise and remember Irene and her contribution to the community and women's issues, by having the IWD Irene Krastev Award.

The MWLG would like to present the award to a woman from a migrant or refugee background, who has made a significant contribution to the community and to the participation of women in the social, economic and educational life of South Australia.
